REQUIREMENTS FOR THE GRAND VICTOR TITLES

Entrants for the **Junior Grand Victor** competition shall be between **twelve (12)** and **under twenty four (24)** months of age on the first day of the Show.

In addition, shall be entered into either the **Junior or Graduate** class respectively with a minimum grading of **SG1**, awarded only on the day of the Show.

If either the Graduate or Junior class winner receives a higher grading or award (RCC or CC) over the other, shall automatically be awarded the Junior Grand Victor title offered for each respective sex.

Entrants to the **Grand Victor Competition** must have been graded '**V1**' awarded only on the day/s of the show. If all "**V1**" graded dogs over the age of (24) months are defeated by an entrant under the age of (24) months, the RCC winner should contend the title if over the age of (24) months together with the "V1" graded Champion Class winner.

If both CC and RCC winners are under the age of (24) months, all "V1" graded dogs over the age of (24) months must compete for the title together with the "V1" graded Champion Class winner.

All entrants for the title of Grand Victor must be twenty-four (24) months or older on the first day of the Show.

JUDGING

Judging shall be as at a Specialist Rottweiler Club Championship Show with the first four (4) dogs being placed in each section of the Competition.

The Junior Grand Victor Competitions shall be judged before the Grand Victor Competitions: all GV titles are to be awarded before Best Puppy In Show, Best In Show and Reserve Best In Show. All Rottweiler Grand Victor Shows shall be grading and critiquing shows.

Only "V" graded dogs may compete for the CC and RCC.

All dogs entering the ring shall be positively identified by microchip against the catalogue, no dogs may enter the ring before being positively identified in the marshalling area. In cases where positive identification is not possible (no chip can be located) the dogs details are to be documented on the relevant Identification discrepancy form and the disclaimer signed by the owner/authorised agent of the dog before entering the ring.

The owner/authorised agent of the dog has 60 days to re microchip the dog and inform both KUSA and the relevant show holding club. The show holding club must send a copy of the signed Identification discrepancy form to the RBC ID convenor and the update of the new microchip number once received. The RBC ID convenor will maintain a national spreadsheet which will be updated and distributed to all clubs once any updates/additions have been received.

Any awards/qualifications/prizes may be withheld or cancelled until the RBC ID convenor and KUSA have received the new ID number.

All dogs re-entering the ring for awards must be re identified before re-entering.

Dogs may be awarded "V" gradings from the Junior class (Only for truly exceptional exhibits)
