JUNIOR SHOWMANSHIP SEMINAR

Over the years, showmanship has developed to a high standard of proficiency, requiring a Judge to hold an equivalent level of competency and knowledge. Essentially, qualification as a Junior Showmanship Judge ought to be taken as seriously as the responsibility demands. When it is considered that the Child and Junior Handling Classes contain the exhibitors of the future, the encouragement and support these young people receive now must demonstrate the Judge's sincere desire to nurture and guide the future bearers of this Sport. Showmanship Judges are, therefore, expected to have a genuine interest in young people and Junior Showmanship.
