CHAIRMAN'S WELCOME

Hello and welcome to each one of our Members, Exhibitors, Assistants and Spectators. Thank you for your attendance here today and for your support.

It's been some time since we have been able to show our wonderful breed with all the chaos created by the COVOD-19 pandemic. Thankfully, we were able to get approval to hold todays show after having all our other events postponed and then finally having to cancel them because of the restrictions that were in place at the time.

I'm happy to say though, that despite all the cancellations that had to be endured, we were able to host a remarkably successful virtual show earlier in the year. We were extremely surprised to have received such a positive response and the number of entries we received were very encouraging. This made it clear to us that despite the rather gloomy situation we all found ourselves in, there were huge numbers of persons wanting to still get out there and show their dogs even if they couldn't do so in person. You just can't keep a Belgian Shepherd Dog owner down...

Despite the success of the virtual show, I am delighted that we are able have a show in person, because while the virtual show was great fun and exciting, it does not replace the pleasure and excitement of physically attending a show and interacting with the judge, other members and exhibitors. It is also a day well spent enjoying our weather and great outdoors with friends, family and of course our dogs.

While this is a really great opportunity to meet up again with some old and new friends, I cannot help but to feel a little sadness for the void there has been when preparing for this event and no doubt when we set it all up. For many years we would hear the roars of one particular voice, chasing everyone involved in getting everything ready and she would march up and down checking that everything was in place and perfect. For those of you who had the privilege of knowing and working with her, you will know that I am referring to Mrs Fabienne Frauendorf.

We tragically lost "Fabs", as we all knew her, on the 20 March 2020 after a prolonged battle with cancer. It was devastating to then lose her spouse, Mr Fritz Frauendorf, very shortly thereafter. I certainly do not want to undermine what many of our members, breeders and sponsors have done for the Club, but Fritz and Fabs did so much for both Club and the breed that their absence has been the painful reality for us and they are both dearly missed. I ask you to keep them in your thoughts and memories today.

On a brighter note, a special welcome to Joshua Frauendorf who will be spending the day with us as he has always done for many years. Josh loves attending the Belgian Shepherd Dog Club events and so it simply wouldn't be the same if he were not present today. We hope that you really enjoy the day with us Joshua.

I would also like to welcome and thank our Ring Steward for today, Ms Giselle Brits. Thank you, Giselle, for agreeing to ring steward for us once again and for giving up your day so that we can have a successful show. I hope that you have a most enjoyable day with us and all our exhibitors. Another long-time associate of the HBSDC and especially with our championship shows is our Scribe, Mrs Addy Smits. Addy, welcome and thank you once again for making yourself available for us as the scribe. We genuinely appreciate your assistance and we always value your presence at our shows. Your friendship and support of the club are beyond any words that I can express. You have always done such a sterling job and hope that the day will be pleasant and enjoyable for you. Our esteemed Judge for today is Mrs Glenda de Taranto. I would like to welcome Mrs de Taranto to our show and to thank her for providing us with the privilege of having her judge our dogs today. Thank you for giving up your day to be here with us especially since your own Club has an event today. We are grateful for your willingness to be here and providing us with your expert feedback. We look forward to spending the day with you and we hope that it will be an enjoyable event for you. Also, to our sponsors, Montego Pet Foods, thank you for your ongoing sponsorship and support. It's great to know that we can always count on your support for our shows. Without our sponsors, we wouldn't be able to provide the prizes that we do at our shows. Montego is as much a part of this

Club as our members. We appreciate your support and the speed at which you came to the forefront for us in ensuring that we have the prizes for the show.

Not wanting to forget anyone who deserves our gratuity, I want to extend my sincere thanks to all our exhibitors. I must admit that when we agreed to go ahead with the show and on such short notice, I honestly thought that we would not have a very large attendance. Many people are concerned about the threat of COVID-19. Times are really difficult for most of us and sadly so many people have found themselves unemployed as a result of the pandemic so you can imagine my (and the entire Committee's) surprise when we received the number entries we have today. So, from the bottom of my hear and no doubt the rest of the Committee, Thank You for your support. You truly are fantastic. Last but not least, a huge thank you to the Highveld Belgian Shepherd Dog Club Committee. You guys are amazing!! You have managed to get this show planned, approved and set up in such a brief period of time. You are really a bunch of resolute individuals that certainly have the Club and the Breed at the core of your hearts.

I hope that you enjoy the days with us and that you achieve the results that you are hoping in the ring today. I trust that you will stay well and have a safe trip back home.

All the best

Keith

ABOUT OUR JUDGE GLENDA DE TARANTO

I grew up with German Shepherds, a Dachshund, Border Collie and a Dandie Dinmont. Randolph and I have owned a Border Collie, Miniature Pinscher and a German Shepherd (which I did Obedience with), before starting to show Rough Collies 34 years ago.

We currently show Rough Collies, Pulis and a Bearded Collie.
I am qualified to judge the Herding, Working & Toy Groups as well as Handling at Championship Shows and currently judge Gundogs and Terriers at Open Shows.
I serve on the Committees of The Collie Club of SA, Western Gauteng KC, Orion KC, SA Ladies Kennel Association and Working & Herding Breeds of the Golden Reef.

ORDER OF JUDGING

GROENENDAEL BREED CLASSES LAEKENOIS BREED CLASSES MALINOIS BREED CLASSES TERVUEREN BREED CLASSES CHALLENGES / BEST HEAD APPROX 09H00 APPROX 09H30 APPROX 10H00 APPROX 10H30 APPROX 11H00

Please note that these are approximate times only - it is the exhibitor's responsibility to ensure that he/she is ready to enter the ring when called.

NOTES FOR THE SHOW

Working Dog Class – As our breed is a working breed it is important to have a class that allows those dogs that have achieved working qualifications to be shown in a class of their own.

A Best Head award will be made as the head is very important in Belgian Shepherds. The Judge will select dogs to go forward while she is doing the class judging.

We will be allowed to attract the dogs attention from the outside of the ring (double handling). In order to get the dog to look its best it is preferable that the dog looks at someone in the distance rather than up at its handler standing next to him.

There are two specific times when outside attraction could be useful:

Firstly when the individual dog is standing and being evaluated by the Judge (Not when it is moving round the ring)

And secondly when all the dogs have been judged individually and are being judged for placing in their classes.

As the dogs are normally fond of their owners it may be better to have a second person handling the dog in the ring whilst its owner is on the outside of the ring attracting its attention.

Often a dog will look into the distance when he cannot see his owner and hiding behind an object or another person can have the same (or better) effect as calling the dog. Do not call the dog excessively if you notice that he is getting agitated.

Attraction from outside the ring may be in the form of calling the dogs name or whistling (noises such as gunshots, whip cracks, etc will not be allowed). Please have consideration for your other exhibitors and their dogs.
